- No. Tickets to the main Isle of MTV event on Tuesday, 16th July 2024 will be free of charge to those who register via www.isleofmtv.com.

If I do not have access to a computer, mobile phone or valid email address, how can I register for tickets?

- To register for tickets, a valid email address and access to either a computer or mobile phone is required.

How many tickets will be available?

- We have not set this number, but will follow the advice shared by our health & safety and security consultants on the maximum number of fans that the square can accommodate.
- We are confident that we will be able to meet the demand for tickets.

Will I be able to register for more than one ticket?

- Yes. Any individual aged seventeen (17) or over who registers will be able to apply for up to 4 tickets.

What happens if the tickets run out?

- We will be monitoring the square from a health & safety and security perspective. When we reach capacity, entry to the square will be restricted. We advise that you arrive to the event early.

Does a ticket guarantee entry?

- No. Entry will be subject to capacity, which will be live monitored throughout the night. Access will be granted on a first come, first served basis.

Do you have to be over 18 to gain entry?

- No. Only guests seventeen (17) years of age or older can purchase tickets to the event.
